Dear Sir/Madam,

Sub: Intimation under Regulation 30 of SEBI (LODR) Regulations, 2015 – Enhancement of Plant located at Baraya

Pursuant to Regulation 30 read with Para B of Part A of Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI (LODR) Regulations), as amended from time to time, we hereby inform that the Company has undertaken enhancement initiatives at its facility located at Baraya.

As part of its strategic decision, the Company has undertaken an enhancement in the said facility by installing additional equipment. This modification has enhanced the facility's flexibility, enabling it to shift from producing single product to manufacturing multiple higher value and more technologically advanced products. This initiative is aimed at optimizing capacity utilization and is aligned with the Company's ongoing efforts to respond swiftly to the demand for its existing products.

Further, the Company is presently assessing the feasibility of developing new products to manufacture at this facility.

The requisite details as mandated under the SEBI (LODR) Regulations are provided below:

Capacity Enhancement:		
1.	Existing capacity;	30,000 MT per annum
2.	Existing capacity utilization;	As per demand
3.	Proposed capacity addition;	Nil
4.	Period within which the proposed capacity is to be added;	30 th September, 2025
5.	Investment required;	INR 26 crores
6.	Mode of financing;	Debt
7.	Rationale	Enhancement of existing facility by adding more equipment in the same facility to enable production of higher value products as per market demand which can significantly boost revenue and profit.

Kindly take the same on record.

Thanking you,

Yours faithfully,

FOR ORIENT CERATECH LIMITED
